Shedthi and the kumki with its adjunct south of the wall to the Parish union of the Diocese of Mangalore, as consented to by the Vicar of the Shirwa church to whose kadim lands it forms kumki and kumki adjunct. The Sub Collector, Coondapoor on personal inspecti found that the wall and the fence raised up during hakkal cultivation were not a deciding factor of exclusive possession and enjoyment and besides the removal of the green leaves by the tenants of the kadim holders, there were no other traces of exclusive possession and enjoyment. Considering the growing demand from the poor people of Shirwa for house sites, he recommended the reservation of the non-kumki portion for assignment under the house site rules. I have acco ingly reserved the non kumki portion sub-divided as S.No. 254/3 for assignment under the house site rules, and recommend that the Board may be pleased to move the Government to accord sanction for the assignment of S.No.254/2 to the Parish Union of the Diocese of Mangalore.
